

9TH ANNUAL SOUP & BREAD SUNDAY JAN 31, 2021 SPONSOR OPPORTUNITIES

BEDS Plus Care helps people who are poor and homeless in our communities.

We provide emergency services, including overnight shelter, housing assistance, and other services to prevent homelessness for people facing eviction. For those who were already struggling, COVID19 has made their situation far worse. **We need your support more than ever.**

As a sponsor of the 9th Annual Soup & Bread event, **you will join others** who have **invested in making life better** for the most vulnerable members of our communities.

Your contribution will put 500 people who are literally homeless on the path to stability, housing and independence. That's how many people BEDS Plus will shelter this year. They are children, seniors, Veterans and survivors of domestic violence. They need a warm and safe place to stay and the chance to turn their lives around.

Sponsor contributions begin at \$500. All sponsors are recognized on the BEDS Plus Care web site and through our social media channels.

Yes, we would like to sponsor the 9th Annual Soup & Bread fundraising event!
