

# ANNUAL REPORT

**Fiscal Year 2021**

July 1, 2020 – June 30, 2021

**“BEDS really helped me find the stability and structure I needed.”**

— Maiele

## Vision

**We believe that everyone deserves a home. Our vision is to end homelessness.**

## Mission

Our mission is to help vulnerable individuals stabilize their lives through housing and supportive services.

## Service Lines

**PREVENTION & STABILIZATION** mitigates the traumatic and costly effects of homelessness for households experiencing a crisis and facing eviction. Prevention services include financial assistance, case management and connection to mainstream resources to stabilize the lives of people in temporary crisis.

**EMERGENCY SERVICES** meet people experiencing homelessness' immediate needs for food, shelter and medical care while quickly transitioning them to appropriate permanent housing. Programs include Emergency Overnight Shelter, Street Outreach, Rapid Re-housing and a robust Food Rescue program.

**SUPPORTIVE HOUSING** provides long and medium-term community-based housing that is connected and individualized supportive services to promote independent living. Programs include Transitional Housing, Family bridge programming, and site-based and scattered site supportive housing.

**CASE MANAGEMENT** is personalized to meet the needs of each individual client. Our clients need everything from food, medicine, help to re-acquire lost forms of ID, and help with setting up their household.

Beds Plus works with a wide network of community-based services to provide clients with health care, behavioral health care, employment services, and specialized, population-based supports for veterans, people with disabling conditions, victims and survivors of violence, seniors, transition-aged youth, and the formerly justice system involved.

## Notable Achievements

BEDS Plus remains at the forefront of Southwest Suburban Cook County's COVID-19 pandemic response. Last year, we provided unprecedented levels of service to people experiencing homelessness and imminent risk of homelessness, including:

- Reaching more than 2,800 people, a 67 percent increase from the year before.
- Facilitating \$1,000,000 in direct Homelessness Prevention and Diversion and government emergency rental assistance to keep vulnerable households in housing.
- Safely sheltering 391 people in area motels and engaging 229 people through Street Outreach.
- Maintaining 97 people with histories of chronic homelessness in fixed and scattered-site Permanent Supportive Housing.
- Seeing 90 percent of our clients leave our programs with stable housing.

Additionally, The Linda Sokol Francis Summit Service Center will open in early Summer 2022. The Cook County Department of Economic Development and capital campaign donors fully funded the Center, which will provide medical respite care to people experiencing homelessness with serious medical conditions.
