BEDS PLUS

SHELTER • PREVENTION • HOUSING

Strategic Plan FY27-FY29

Over the last decade, BEDS Plus has grown from a community of volunteers into a lead organization providing emergency shelter, housing and supportive services across the western and southern suburbs. We've changed the shelter experience to offer greater dignity and care, while helping people address the challenges that stand between them and stable housing. As we look ahead, we're working together to keep our community's safety net strong.

OUR VISION:

End homelessness.

OUR MISSION:

Help vulnerable individuals stabilize their lives through housing and supportive services.

OUR SERVICE PHILOSOPHY:

Commit to continuously inviting clients back into services and finding options for everyone to improve their lives. Our service prioritizes client choice, dignified treatment, and accessible, long-term solutions.
